What if my student won't be attending in person?

We will miss seeing you but are excited to announce a virtual option!

- Ms. Rachel and Ms. Megan will be our Virtual Team teachers!
- Students will Zoom with their current math teacher & class
- Students will have virtual Exploratory Classes with their In-Person peers
- Students in our Virtual Team will receive the same lessons as in-person students. Modified for asynchronous learning.
- We will include our Virtual Team with our In-Person Team
- Virtual learning will be mainly asynchronous and Zoom will be used for introduction and help. We recognize students are exhausted with Zoom.

Other Important Information

- There will be no busing. We will do our best to help coordinate carpooling.
- Sodexo lunches will be available.
- Each building will be cleaned nightly and be sanitary for the next cohort the following morning.

Questions?

- What if we want to switch?
 - We will ask families to commit to 6 weeks. At the end of 6 weeks families can choose to switch between Virtual or In-Person.
- How will TVS ensure students stay 6' apart?
- What will happen with students who attend North for math class?
- How will being in person affect students who experience disabilities and their accommodations?
- When will I know my student's schedule?
