

School Supply List for 2025-2026 School Year

An important element to middle school education is helping students be prepared for learning and use supplies and materials responsibly. Historically we have had communal supplies that are shared with all students and that will still be the case for some supplies. Students will also be asked to come prepared for class with the following supplies that will be their own.

Student individual supplies to keep with them

- Scientific Calculator if you didn't already have one from last year (TI-30 or higher. Please put students name on calculator)
- Package of #2 pencils - *students need to have them in their backpack for daily use.*
- Water bottle with students name - to be brought to school daily
- Pens
- Headphones with an aux cord labeled with students name (wireless will not be allowed at school)
- 3 ~ 3 ring binders (1.5" size or bigger)
- 1 Durable pocket folder (to be left at school with students name on it)
- 1 Pencil pouch that will clip in a binder
- 1 Pkg. 5 tab index dividers
- 2 Highlighters, 1 yellow and 1 any other color

Supplies to be shared with school

- Black sharpie markers - any amount
- 1 pkg of black fine tip sharpies
- Package of dry erase markers - any size, color and number
- Sticky notes - any color, size and amount
- Ruler

* Teachers may have specific classroom supplies and may ask you for them throughout the year

**We ask for \$75 annual fee to help cover the following expenses: Technology, Field trips, Book Fee (Breakdown: \$35 Technology, \$30 Fall in the Field, \$10 Book Fee)

This year we will be assigning a chromebook and charger cord to each student. These chromebooks are the school's property and prior to receiving one the parents must sign the acceptable use agreement contained in the student / family handbook.
